

Financial Agreement

Payment Arrangements

It is our policy to maintain your account on a current basis. Charges for treatment are due at the time service is provided. You also have the option to prepay for services to receive a discount on our standard fees (Therapy Package). Any outstanding charges on your account will be charged to your credit card on file on the 1st and/or 15th of every month.

HSA / FSA Plans

We accept payment from HSA (Health Spending Accounts) and FSA (Flex Spending Accounts).

Cancellation Policy

All appointment cancellations must be made 24 hours in advance to avoid a cancellation fee of \$35 per scheduled session. In the event of a cancellation, your credit card on file will be appropriately charged.

Voluntary Termination of Care

If you should choose to suspend or terminate your care, any outstanding fees for professional services rendered to you will be immediately due and payable. Any unpaid, outstanding charges not paid within thirty (30) days will be sent to collections. All refunds will be issued by check within 5 business days of request. When calculating refunds, the Standard Pricing will be applied to all sessions used and the remaining unused funds will be issued.
